Downright easy.

After talking with multiple friends about how crazy building a house was, we expected major delays and/or issues. There just wasn't. From the Sales Consultant to the Design Team to the Builder, everything was just easy. My wife and I were extremely happy with the service and quality provided by everyone involved. Thank you David Weekley!

Transparent Building Process and a Well-Built Home

Our experience was first class... The overall experience was extremely transparent, and we are happy with our decision to build with David Weekley after looking at over a dozen competitors in the surrounding area.

Truly treated us like family!!!

We enjoyed every part of the home building process. It was amazing! Our builder was always keeping us informed and really went above and beyond to ensure that we love our home. Our warranty rep is outstanding and continues to take care of our every need. I couldn't have asked for a better experience. Our builder and warranty rep continue to be there for us as a family. While our interactions with the DW Family have been highly professional, we are also lucky enough to be able to call them some of our greatest friends! Wouldn't change a thing!

Exceptional service and experience!

We have been fortunate enough to build several new homes and this was by far the best experience that we've encountered. We actually debated whether or not we wanted to go through the home building process again or simply purchase a pre-owned home or a finished new home. So pleased we built! Our Weekley team (sales associate, design consultant and builder) was very professional, courteous, attentive, responsive and pro-active from beginning to end. They've all become our adopted kids! Great overall experience!

Thrilled to be here!

We love our home and the neighborhood and while we did purchase a completed build, we could not be more pleased with the entire David Weekley Team! Tracy, in particular, was there to help us every step of the way and we couldn't be more grateful!

Hard to improve on Excellence

From the moment we were welcomed when walking into a David Weekley model we knew we made the right decision to choose them... The entire process is seamless between the Sales Consultant, Builder and Design Consultant... We felt like a good friend who is not rushed out the door and forgotten once paperwork is signed.
