Amazing experience

The entire home building process went so well. Julian was a great help when we started the process very helpful and informative. Our builder Jace was also amazing throughout the home building process!

Great Builder

This is the second David Weekley home we have built and the experience was just as good as the first time. We worked with Sam, Jordan, and Nick and they were all professional and helpful. A pleasure to work with.

2nd New Build Purchase

The sales consultant and builder did a great job of keeping us informed throughout the new build process, much better than our first experience with a different builder.

Attention to detail

We have purchased ten homes. This one was by far the best built home we have owned. Attention to details was obviously a goal important to the builder. Best walkthrough experience in my 25 years of buying real estate.

Exceptional service and experience!

We have been fortunate enough to build several new homes and this was by far the best experience that we've encountered. We actually debated whether or not we wanted to go through the home building process again or simply purchase a pre-owned home or a finished new home. So pleased we built! Our Weekley team (sales associate, design consultant and builder) was very professional, courteous, attentive, responsive and pro-active from beginning to end. They've all become our adopted kids! Great overall experience!
